

## CAR DEALERSHIPS

### KELLY MITSUBISHI

**Description:**

New Vehicle Dealership

**Location:**

Cardiff

**Office:**

Newcastle

The Mitsubishi new and used car dealership at Cardiff is the latest vehicle sales centre to up grade their current showrooms and administration area with Williams River Steel.

Situated on Main Road, Cardiff, the new vehicle showroom will accommodate sales and administration staff as well as providing a detailing facility. The development was constructed at the rear of the existing building which once fully vacated was demolished to make way for vehicle display area.

Williams River Steel's contract was a full "turn key" development which included earthworks to level and clear the site along with installation of retaining walls. Concrete slabs were laid for the foundation of the building and a concrete pavement now forms the external display area.

Built to Mitsubishi specifications, the building features steel frame and precast concrete wall panels with glass shop-fronts at the front of the showroom. Internal fit out, facades and security fencing completed the project in readiness for installation of Mitsubishi Corporate signage and final occupation.

WILLIAMS RIVER STEEL  
25 Old Punt Rd, Tomago NSW 2322
