HIGHFIELDS HARDWARE

| Description: | Location: | Office: |
|-----------------------------|-----------|------------|
| Thrifty Link Hardware Store | Toowoomba | Queensland |

Job Commenced: June 2010

Expected Completion Date: October 2010

Building Size: 956sqm

Construction has commenced on a new Thrifty Link Hardware Store located at Highfields Shopping Village, just outside of Toowoomba QLD. Our clients will relocate from their current premises to this new development which will give them increased floor area, outdoor landscape centre and direct truck access via a concrete laneway to the rear of the property.

Williams River Steel have been appointed a full "turn key" contract to construct the building and new car park, along with concrete access laneway, footpaths, landscaping etc, and with completion set for October, the owners will be in and trading for the Christmas trade.
