

CAR DEALERSHIPS

NEWCASTLE TOYOTA

Description:

New vehicle dealership with showroom, service facilities, store & wash bay

Location:

Tudor St,
Hamilton

Work is now complete on the redevelopment of Newcastle Toyota, centrally located, minutes from the Newcastle CBD on Tudor St Hamilton.

The Toyota dealership was temporarily relocated next door with Hyundai whilst Williams River Steel commenced demolition of the existing building before starting on the new dealership.

Our contract included site preparation, construction of the new vehicle showroom, state of the art service facilities, parts & oil stores, tool room, wash bay, all offices and fit outs as well as external drive entry work.

The facility features a custom made reception desk and café bar along with decorative glasswork including photographic tints on the internal window panes. These are just some of the features giving this showroom it's unique and very modern finish.
