MAITLAND NISSAN/MAZDA

Description:

Nissan & Mazda
Dealership/showrooms

Location:

New England Hwy
East Maitland

Office:

Newcastle

A major makeover at the former Maitland City Motor Group site, on the New England Hwy East Maitland saw the demolition of existing buildings to make way for new Nissan and Mazda Showrooms.

A full "turn key" contract for Williams River Steel, started with design and engineering, demolition and site works as well as the construction of 2 showrooms and a detailing facility.

Predominantly, precast concrete panels were used, externally to retain the sloping site as well as within the buildings for their versatility. An Aluca Bond fascia on the Nissan showroom sets the background for the corporate signage and internally, the sales/showroom area were fitted out to Nissan specifications.

With the Nissan showroom complete, works then commenced on the Mazda showroom, which although similar in design to the Nissan building, features unique Mazda Corporate finishes. Now finished these buildings are fully operational and with the installation of security fencing and gates, our contract is complete.
